Background

On June 14, 2010 the City Council approved a funding agreement with Placer County Transportation Planning Agency (PCTPA) to fund the installation of a bus shelter near the intersection of Auburn Ravine Road and Persimmon Terrace with Public Transportation Modernization, Improvement, and Safety Enhancement Account (PTMISEA) from the Proposition 1B, the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act approved by the California voters in November 2006. PCTPA staff has notified City staff that the funding has been received of \$11,030.

The Auburn Ravine Bus Shelter Project will be partially completed by the selected vendor with the site preparation completed by the Public Works Crew. The vendor and the Public Works Crew will allocate the costs to the grant. The Public Works Department received four bids from qualified vendors; Marc Pohley & Associates, Capital Improvements, Ken Magee Company and G.S. Sabol Construction. Staff has reviewed the proposals and the lowest responsive bidder was Marc Pohley & Associates at \$4,450.00.
